

## YEAR 3

# IPAD APP LIST 2025

All free apps will be available for download within the INTUNE Company Portal app. App lists on the portal will be updated each year, please download all new apps.

Paid apps will need to be purchased through the App Store.

INTUNE Comp Portal allows your child's device to automatically set up and configure the school's Wi-Fi profile. If you do not already have it installed, please see below:

\*\*Teachers may request that other apps be installed during the year to complement class activities.

To ensure your child's device is ready for school, please *sign out of iCloud* and consider using FOCUS to create a 'school' and 'home' configuration. You can also put some restrictions via SCREENTIME to manage the content your child is able to access.

There is a Suggested Settings guide on the school website:
