Under no circumstances should passwords be divulged to any other user on the system. If users have any reason to suspect that their account security may have been compromised or tampered with, it should be reported immediately to their teacher.
- Accidental damage to a device is the owner of the device's responsibility. Students and their parents / carers will be held responsible for the wilful and deliberate misuse or inappropriate behaviour resulting in damage to another student's device. In the event of a dispute regarding the cause of damage to a device, the principal will be the arbitrator.
- Students must not record, photograph or film any students or school personnel without the express permission of the individual/s concerned and the supervising teacher.
- Students must get teacher permission before copying files from another user. Copying files or passwords belonging to another user without their express permission may constitute plagiarism and/or theft.
