*Swimming Club is run entirely by parents generously volunteering their time and effort. Volunteer involvement is **essential** for our fun and friendly Friday club nights to continue. Each family is kindly asked to complete two (2) roster duties per term (timekeeping, canteen or BBQ) and a roster will be developed. Club nights will not be able to begin until all roster positions have been filled.*

I, (please print) _____, have read, fully understand and accept the rules of conduct for the Milton Marlins Swimming Club (printed overleaf), a copy of which I have retained. I have discussed these rules of conduct with the swimmer/s listed above and explained that I expect them to abide by these rules and conditions.

I indemnify, and agree to keep indemnified, the Milton Marlins Swimming Club and Milton State School Parents and Citizens Committee, all their officers, servants and agents against and from any claim made by or on behalf of my child in respect of injury, loss or other damage sustained from any cause whatsoever. I authorise the Club Committee to seek medical treatment, at my expense, for my child should it be required.

MILTON MARLINS SWIMMING CLUB RULES OF CONDUCT

Parents/carers are responsible for their children's behaviour at all times during swimming club meets. For the safe and efficient running of club meets, swimmers and non-swimmers are subject to the following rules of conduct:

- Swimmers and non-swimmers are encouraged to support their fellow club members and to participate in a friendly manner.
- Swimmers and non-swimmers must obey instructions from the Management Committee.
- Swimmers must present themselves promptly to the marshalling area when called by the Marshal.
- Starter's orders apply. When the whistle is blown before the start of each race, all meet attendees must be quiet in fairness to the swimmers competing.
- Only swimmers who have been marshalled for races may stand at the ends of the pool behind the timekeepers.
- Children must refrain from dangerous behaviour in and around the pool at all times. No running around the pool, jumping or bomb diving.
- When a 'free swim' is in progress, all swimmers must remain either in the pool or out of it. Getting in and out of the pool repeatedly is not permitted. Jumping or diving off the starting blocks is not permitted during free swim.
- Sitting on or hanging off the lane ropes is not permitted. The lane ropes are under extreme tension and if extra load is added they may release and whip through the pool causing injury.
- Out of bounds areas include: the chemical room; the pool office and in the canteen.
- Children are not permitted to play in the change rooms.
- Children must remain within the pool enclosure at all times once they have arrived at a meet and registered.
- Children are not permitted to be at a swimming meet unless under the supervision of a parent or other nominated adult carer.
- No offensive behaviour.
- The pool area must always be left clean and tidy after swimming meets. Rubbish is to be placed in the bins provided.
- **ALCOHOL, GLASSWEAR OR BOTTLES ARE STRICTLY PROHIBITED FROM BEING BROUGHT INTO THE POOL ENCLOSURE AT ANY TIME.** Alcohol is available for purchase at the canteen.

Club Officials reserve the right to exclude any person from attendance for continual breaches of the rules of conduct.
