Investing for Success

Under this agreement for 2016
Milton State School will receive

This funding will be used to

- Improve student learning outcomes in the upper two bands in year 3 & 5 through early intervention

|        | Reading | | Numeracy | Target | Writing | Target |
|--------|---------||----------|--------|--------|--------|
| Year 3 |         || Year 3   | 70%    | Year 3 | 65%    |
| Year 5 |         || Year 5   | 60%    | Year 5 | 50%    |

- Improve teacher effectiveness through additional mentoring & coaching in key focus areas as per above
- Improve learning outcomes for those students who are below national minimum standards

Our initiatives include

- Progress our Visible Learning Program- early intervention and enrichment through employment of specialist coaches and teacher aides and associated learning programs (Hattie, 2006)
- Increase in teacher and teacher aide support for year one and two classes for extension programs
- Improve teaching and learning through the continued engagement of expert consultant in writing (Cameron, 2011)
- Provision of external professional learning through engagement of external educational expertise (Clark, 2013)

Our school will improve student outcomes by

- Engaging a Master Teacher (full time) and additional teacher coaches/external consultants to undertake coaching and intervention/extension in the key focus areas of reading, writing and numeracy $169110
- Progressing our Visible Learning Program- additional teacher aide time and resources to support intervention and enrichment in early years, including online resources and programs as in class support $30000
- Total funds to be expended $199110
