

Manage your child's device simply and securely with JB Hi-Fi Education Solutions' online BYOD portal.

A customised portal has been specifically designed by the school in conjunction with JB Hi-Fi Education Solutions. This offer is only available for families taking part in the parent funded 1:1 program.

The online portal is a simple step-by-step system allowing you to select your device, accessories (if applicable), extended warranty and insurance. We offer flexible payment methods and various shipping options to ensure you receive your purchase securely and in a timely manner.

Please see below for more information on what is included, how it works and what you need to do to successfully take part in the program.

For any additional questions please contact our education team on 1300 730 548.

What's included and how does it work?

Program Selection

The BYOD portal is unique to your child's school. You will be provided with a unique code to access the page.

Insurance Options

Insurance is available over a 2 and 3 year period. Insurance covers accidental damage and theft.

Device & Warranty

The school will provide device options for you to choose from. All devices include 3 year onsite warranty and any repairs will be completed at the school, excluding Apple (in store) and Microsoft (mail away for replacement).

Payment & Shipping

Our flexible payment options include financing (buy now pay later), BPAY and credit card. Your device will be available for collection at your nominated local JB Hi-Fi store and an email will be sent once ready.

Accessories

If accessories are available to support your device you will be able to select them at the time of purchase. Other accessories will be available for purchase in store when you collect your order.

Review & Confirmation

Look back on your order, ensure you are happy with your purchase and confirm. You will receive a reference number after purchase.
