From the Principal

School overview

Milton State School was established in 1889 and is situated in the inner North Western Suburbs of Brisbane. It is a large primary school, Prep to Year 6, with approximately 720 students and 29 classroom teachers. Our Instructional Leadership Team includes a Principal, two Deputy Principals, Head of Curriculum, Head of eLearning, Reading, Writing, Evidence and Mathematics Coaches, Strategic Advisory Group Leaders and Professional Learning Team Coordinators. Our Administration support team comprises a Business Manager and two Administrative Officers. Our school forms part of the Queensland Academies - Partnership Schools working in close association with the three Queensland Academies of Science, Maths, Technology, Creative Industries and Health Sciences. This is a unique educational opportunity for our school and assists us with identifying and catering for our 'best and brightest', whilst also providing clear educational pathways for students. We are also part of the very strong and active 'City Cluster of Schools' comprised of 14 schools in inner city Brisbane. This cluster provides outstanding student learning opportunities and professional development/leadership for teachers and leaders to support each school. Within our school, various programs are offered for those with disabilities and special needs encompassing intervention and extension. An Intervention Teacher services the school. Students with special needs are fully integrated into the regular class setting. We have a Special Education Program with two teachers, working closely with our students with disabilities and Gifted Education Mentors, who work with our students who require extension in their learning. This team is responsible for our 'Visible Learning' Program. The increasing cultural diversity of students brings added richness and responsibilities to the operation of the school. Our EAL/D teacher supports students with English as their second language. Other specialist teaching staff include - Teacher Librarian, Science, Art, Dance, Drama, Media and Music Teachers, Physical Education Teacher and Italian Teacher. Visiting personnel include - Instrumental Music Teachers, Guidance Officer, School Nurse and Advisory Visiting Teachers for students with special needs, along with our Artist in Residence. A Student Success Teacher supports our social skills program and we have developed our whole school Responsible Behaviour Plan that can be located on the school website. Teacher Aides support our students in the classrooms, eLearning Centre and across a wide variety of programs including our prep classes where there is an aide for each class. A full time Schools Officer maintains our grounds and facilities along with our tireless cleaners. The school features classrooms of single or double teaching space design with wet areas, a four unit prep, tuckshop, an eLearning Centre, music, science art areas, literacy centre, cooking room, and outside school hours care facility.

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community. Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	2	2	2
Long suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	386,886	379,362	411,370
Water (kL)	2,176	2,277	1,811

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

For more information, please refer to the following links

Professional development

Teacher participation in professional development

Queensland state schools undertake 5 staff professional development days (25 hours) throughout the year:

- 2 days at the end of the summer holidays (fixed)
- 2 days during the Easter holidays (flexible)
- 1 day in the third last week of Term 3 (fixed) on the student free day.
